Re-opening of the North Grenville Public Library: Information and Instructions for Our Valued Patrons

The North Grenville Public Library is pleased to be re-opening on Tuesday, August 4, 2020, with some changes to our services and hours of operation. Please review the information and instructions below before visiting us.

First things first

- ❖ Please do not come to the library if you are sick, have been in close contact with somebody who is sick or have travelled abroad in the past 14 days.
- ❖ We will limit the number of people in the library to ensure physical distancing.

When coming into the Library, please...

- ❖ Wear a face covering at all times; we will have some masks on hand in case.
- ❖ Enter by the front door; the creek-side door will be locked and for exit only.
- ❖ Use the hand sanitizer at the entrance when you come in.

When using the Library, please...

- ❖ **Pay attention to signage and follow instructions from staff.**
- ❖ Limit your time in the Library (we have removed some seating to discourage extended visits).
- ❖ Place returns on the cart near the entrance of the Library; returns will be quarantined for 72 hours.
- ❖ Browse our collections, but avoid handling multiple items. You can put materials you have used extensively in-library on the return cart.

Information on services and programming

- ❖ Computer access will be limited, so best to book a computer time in advance by phone or in person.
- ❖ Shared surfaces will be disinfected regularly. Sanitation products will also be available to you to clean surfaces.
- ❖ Our outdoor and virtual programming will continue, but we are not yet able to offer in-library programming.
- ❖ No fines or printing fees until further notice, but donations are still welcome!
- ❖ Curbside pickup will continue with reduced service hours.
